Friday April 5th 11:45-2:00

Hansen's Dairy is a family-owned dairy farm. Seven generations have managed and lived on the farm and it is a designated Iowa Heritage Farm. One of the very

special features of Hansen's Dairy is

the kangaroos. Yes. Kangaroos! They've been such a mainstay of the farm that a kangaroo became part of their logo. The tour will guide you through the process of getting milk from the cow to the table. It starts with a trolley

ride to the farm, then a walking tour to see their cows, calves, kangaroos, milking parlor, barn and creamery.

Everyone gets ice cream!
